

RWM's CargoMax Gold<sup>™</sup> is the strongest, most durable air cargo caster on the market. The CargoMax<sup>™</sup> air cargo caster features a robust foot guard built specifically for use on sorting decks. The foot guard prevents foot entry into the caster mounting hole and assists in providing a safer, more productive working environment on sortation decks.

## BENEFITS

CargoMax<sup>™</sup> air cargo casters can take the heaviest blows from all types of cargo containers with the highest impact resistance in the industry. It outshines the competition in endurance with premium features such as precision bearings, protective guards, high-strength polymer wheels and a rivet-protecting shield.
